September 2021

Dear

- employers of parents/caregivers of children attending Little Lambs Christian Daycare and Educare in Imizamo Yethu, Houtbay,
- parents/caregivers of Little Lambs children,
- friends of Little Lambs.

As trustees of SEEDS TRUST, the parent body of Little Lambs Christian Daycare and Educare, we appeal to your generosity to assist us in meeting the ever increasing costs of operating the 300 pupil school in Imizamo Yethu, Houtbay.

This Early Childhood Development (ECD) centre has been operating for over 20 years, caring and educating the children of the community.

Our commitments are:

- to continue to operate the school cost-effectively,
- to retain the quality of care and education,
- to ensure that we provide the children daily with nutritious meals,

and to do so in a manner that the school fees remain affordable to the local community.

To date, we have managed to maintain reasonable school fees, but it is becoming more and more difficult to do so.

Furthermore, it is becoming extremely challenging for the SEEDS TRUST to secure the necessary donations to support the school operating costs.

Over the years, we have been blessed receiving donations from overseas donors, but sadly these sources of fund raising are also diminishing.

Under the current economic circumstances, the parents/caregivers are seriously stretched to continue to pay the school fees, which are presently Rand 500 per month.

This appeal is to the employers of parents whose children attend Little Lambs, as well as to neighbours and friends in the Houtbay community and surrounding areas, to please assist with the school fee payments, or contribute donations, so that the children can continue to reap the benefits of better education.

- **"Education brings hope for the future and gives self-worth and dignity".**
- **"All people should have a right to these".**

We are on Facebook and our website is [www.littlelambs.org.za](http://www.littlelambs.org.za).

We thank you for your support.
